

## SCOTTISH SUNDAY

January 27, 2008

*THE CLUMINATION AND GRAND CELEBRATION*

WITH GUEST PREACHER

**The Rev. Dr. Thomas K. Tewell**

Our Guest Preacher for Scottish Sunday this year will be The Rev. Dr. Thomas K. Tewell. For the past 30 years Tom Tewell has been a dearest friend, a faithful mentor and a former colleague of Bob Norris. Many of you know and have come to love Tom Tewell. Over this past year the Chapel has been exceedingly fortunate to have Tom's enthusiastic leadership and guiding partnership with the Chapel's Board of Directors and Steering Committee in shaping and advancing the *Taking the Next Step* capital campaign. The campaign was initiated to fund the three-fold Chapel project involving the expansion and renovation of Sea Gull Cottage, the exterior and interior restoration of the Chapel Sanctuary, and the Chapel grounds enhancement including columbarium expansion. Tom's keen experience in church leadership and fundraising, his energetic and optimistic approach and his personable style has been instrumental to our successful raising of 5.7 million dollars toward this most significant and timely project. Scottish Sunday was selected as the culmination date of the campaign with *no one better* than Dr. Tom Tewell to preach at the campaign's culmination and on this celebratory Sunday!

In addition and anticipation of Scottish Sunday you all will want to plan in advance for the festivities. We want everyone to join in the special celebration that day!

- Young and old alike are encouraged to dawn their tartan kilts and highland garb.
- Worship will be heightened on this extraordinary Sunday with the regalia of Scottish pipes and Dr. Jack Jones special music that will feature the Chapel Chorale and Guest Soloist from the New York Metropolitan Opera, Eric Jordon, Bass.
- Following worship all adults will be piped from the Chapel to a celebration luncheon to be held at the lovely historic Pavilion at Henry Flagler's Whitehall.
- Children of all ages will enjoy their own supervised special program following Sunday School on the Chapel lawn complete with a furnished lunch, a bounce house, crafts, games and an appearance of *The Balloon Guy*.

*Everyone is invited!* No cost is associated with the lunch. It is however important for the Chapel to give to those preparing for us an estimated count of those who will be attending. To this end please indicate and place in the offering plate today your anticipated RSVP slip. You will find it provided as an insert in today's worship bulletin. You may also call the Chapel office, 655-4212.

It is truly with great delight that we anticipate Dr. Tom Tewell's presence and his proclamation of God's Word that day. It is also your presence and enthusiastic participation that is eagerly desired here at The Royal Poinciana Chapel on this coming Scottish Sunday, January 27<sup>th</sup>. And please bring your friends and your neighbors along as our guests that day!
